BURLINGTON INTERNATIONAL GAMES

July 24, 25, 26, 1970

In 1968 the Honorable Mayor of Burlington, Ontario, Canada, Mr. George W. Harrington discussed the idea of inter city athletic games with his counter part, the Mayor of Burlington, Vermont, USA.

After many hours of meetings, correspondence, the committee on both sides of the border finally, it came to realization for the first athletic meet between the two named cities from two different countries was held on July 25, 1969. Busloads of young athletes from Canada arrived in Vermont for the event, which was to be held annually. The local populace came out and helped with housing in their private homes. A durable friendship began.

The next day, July 26th, the events commenced with track & field, swimming, baseball, basketball, volley-ball, soccer-football, golf, and gymnastics for all youths of different ages. At a gala banquet, the individual winners were presented with insignia signifying their respective victories. The overall trophy was presented to Burlington, Vermont, USA. In spirit the winners were all of the participants, the organizers, who saw this idea of "hands across the Border" come true.

Burlington of Canada is the host city for the 1970 international games. To cover the expenses of traveling, and other arrangements for 500-600 young athletes, the people of Chittenen County will give full support for this community project. The General Chairman, Mr. Cliff Dubie of Morrisey Corp., and his second in command, Mr. Tom Schmidt of Hickik and Boardman Inc., are the top people behind this project with their hard work and resourses.

REVIEWS

- Bob Bruce -

K-Line album page supplements. K-Line Publishing Inc., P. O. Box 159, Berwyn, Ill. 60402.

Enough has been said in past reviews concerning the physical properties and high quality of these pages; interested readers may consult the October, 1966 (p. 10), November and December, 1968 (p. 19), and September and October, 1969 (p. 13), issues of this periodical. Suffice it to say that the quality holds steady.

Several new supplements are now available:

- 1. Sports Supplement No. 10. This is another effort toward catching up on the back-log in sports collectors' stockbooks--a hopeless task. The packet includes Bulgaria (3), Japan (2), Russia (4), Rwanda, and Uruguay (2). It is priced at \$1,85 plus 35¢ for postage.
- 2. Part 3, 19th Olympic Games. Although Compiler George Kobylka admits that a few expensive items were excluded intentionally and that he may have omitted some items in the possession of collectors, this supplement and Part 4 conclude the Grenoble and Mexico City games.

Part 3 includes only those countries with membership on the International Olympic Committee and thus eligible for participation in the Olympic Games. Four additional pages (Khor Fakkan, Ras al Khaima, and Yemen Arab Republic (2)) are included to round out the pages for the 18th Olympic Games. Of the remaining seventy-six pages, eleven are devoted to Olympic results and one is a record pages; the rest are apportioned among Afghanistan (2), Albania (3), Andorra and Australia, Bahamas and Belgium, Bermuda and Bolivia, Bulgaria (3), Chad (2), Congo Republic and Costa Rica, Cyprus and Dominican Republic, Ecuador (4), East Germany (2), Greece and Grenada, Guatemala, Haiti (5), Honduras (2), India and Indonesia (2), Iran, Israel, and Ivory Coast, Iran and Jugoslavia, South Korea, Liberia, Lebanon and Malaysia, Malagasy and Morocco, Mauritania and Montserrat, Mongolia (4)(part of one page is devoted to Paraguay), Pakistan and Peru, Panama, Paraguay (9), Polynesia and St. Pierre and Miquelon, Romania (3), Senegal and Uruguay, Somalia and Trinidad (2), and Spain, Czechoslovakia, and Turkey. This supplement sells for \$9.25 plus \$1.25 for postage.

- 3. Imperforates of Part 3, 19th Olympic Games. Duplicate sheets to handle imperforate varieties from Part 3 are available at \$1.75 (postage paid).
- 4. Part 4, 19th Olympic Games. 137 pages care for those countries who are not members of the International Olympic Committee and thus are not eligible for Olympic participation. Division by countries is not easy, but they seem to include Ajman (11), Barbuda, Bhutan (3), Dubai, Fujeira (6), Jordan and Qatar (2), Kathiri State of Seiyun (4), Khor Fakkan (2), Mahra (15), Maldives Islands (2), Man-

ana (8), Oman (2), Qatar, Qu'aiti State in Hadramaut (8), Ras al Khaima (7), Rwanda (6), Sharjah (3), Umm al Qiwain (6), Yemen Kingdom (22), and Yemen Arab Republic (9).

This supplement is priced at \$17.50 plus \$1.50 for postage. To care for imperforate varieties (and there are a lot in this group) a second set is priced at \$15.00 (postage paid). Collectors desiring only certain pages of Part 4 may use a special order sheet available from the publisher; the price is \$1.00 for the first four pages, then 20¢ for each additional page.

Jaroslav, Justyn, and Paroulek Frantisek, <u>Schach Sonderstempel</u> (Chess Special Cancellations). Milevski, Czechoslovakia: Justyn Jaroslav, 1970, 40 pp.

This second edition lists chronologically and indexes by country 310 chess cancellations from May 11, 1923 to October 20, 1969. The cancellations are clearly illustrated with pen drawings directly opposite the description. Although written in German, the manual is not difficult to understand; a minimum of translation with a small German-English dictionary will soon fix the key words and phrases in one's memory. Even to one who does not collect chess, it is an interesting volume and may give ideas on cancellations in other sports areas.

Editorial Comment

Every two years the general membership is asked to vote for the officers to lead the SPI. Again its time to ask all of you to take a few minutes of your time and vote! Helen Turner was the chairman of the nominating committee who selected our fellow members to lead us for the next two years. After many years of the existance of the SPI, it has become apparant that there was some changes necessary to our constitution. The Board of Directors and the Officers are recommending a FOR vote to the proposed amendments which are published in this issue.

The gouge is still going strong for the Olympic collector. Joe Schirmer (SPI 536), has sent a clipping from the New York Times, which offers foreign commemorative stamps minted in pure silver and 14 kt. gold! This outfit in Texas is graciously offering the 40¢ and 1 peso stamps of the first Olympic set from Mexico for the magnaminous sums of \$15.00 and \$75.00 each, for the silver and gold respectively. My, how will the entrepreneurs try to part us sport collectors from our money next? It seems to this writer that the never ending stream of high priced garbage is never going to end!

THE PRESIDENT'S MESSAGE

We are back from Mexico and I may never be the same. The graciousness and hospitality of the Mexican people is unsurpassed. It would take the whole Journal to acknowledge all of the kindnesses we were shown. I saw the final World Cup match and I will never forget it. Most of the Mexican people were for Brazil, and the stadium, inside and out, was a mass of green and yellow. with small bands playing Brazilian music, and a constant chant of "Bra-zil". Landy Antinori came over from Scotland when I told him I was being given two tickets to the game. That is a real "soccer nut", but I think he thought the game worth the trip.

The exhibition was terrific and the SPI came away with most of the honors. At the banquet, on the 27th, I just stood while they handed me medals and trophies for our members. There were exhibits from Belgium, Sweden, Poland, Scotland, Mexico and the United States. As a Judge, I was fascinated by the manner in which material is presented in the various countries. There was one noticable error in several of the exhibits. The rules stated that this was an F.I.P. regulation show, and all of the exhibitors were sent a copy of the F.I.P. forbidden list, yet several of the collections contained this material. Those exhibits could not be judged. It seems a shame to go to all of the trouble and cost of sending an exhibit, and then to ignore the rules.

The following SPI members won awards ---

Jose Turu Carol, (Jules Rimet Cup), Gold Medal and the Trophy presented by the Secretary of Communications and Transport.

Morris Rosen (SPI 119), (Postal History of the Olympic Games), Gold Medal and the Americana Thematic Trophy.

Joe Lacko (SPI 199), (Soccer Cancellations of the World), Silver Medal and the Mexican Soccer Federation Trophy.

Helen Long (SPI 693), (Host Countries of the Olympic Games), Silver Medal and the Mexican Philatelic Federation Medal.

Freddy Dekeyser (SPI 703), (History of Soccer), Bronze Medal; (History of the Olympic Games), Bronze Medal.

Edward Hochuli (SPI 121), (Man and the Underseas World), Bronze Med-

Landy Antinori (SPI 323), had four magnificant collections of autographed Soccer covers on exhibit. Although they could not be judged for Thematic or Philatelic content, the Judges wanted to acknowledge the tremendous effort involved. He was awarded the SPI Trophy for the "Outstanding Individual Effort".

Get well wishes to Bob Bruce (SPI 1), who is recuperating nicely from surgery in early May....In late May, I was able to attend COMPEX in Chicago and had the pleasure of meeting Hal Lopes (SPI 707), the assistant editor of Western Stamp Collector. This was the first opportunity that I had to meet an editor of a general philatelic publication.

- AROUND THE EXHIBITION CIRCUIT -

Elmer J. Binker Jr. (SPI 163), was awarded a White Ribbon at the Greater Eugene Stamp Society exhibit Barb Williams (SPI 69), won a bronze medal at SOJEX for her Soccer in the Olympic Games. Our Prexy was also awarded another bronze at WESTPEX... And at the U.K. THEMATICS 70, the first international topical show to be held in England Tony Quinn (SPI 724), with his very first attempt at exhibiting, received a Bronze award for his Soccer Stamps of South America. Well done Tony! Chris Norgard (SPI 9), was awarded a silver cup for his exhibit Soccer and the World Cup. This award was for the Best in the Section. Bob Oesch (SPI 250), also received a silver cup for the Best in Section. His exhibit was titled The Architectural Forms of the Christian Church. He also received the ATA Certificate for the overall Best in Topicals. Both exhibited at ROMPEX, in Denver, Colo. Chris wrote that this exhibit had five sub-divisions for topicals, the first time he has seen this.... Helen Turner (SPI 17), received the SPI Trophy for her presentation of The Olympic Games from 773 BC to 1972, at PIPEX, which was held at Portland, Ore....Who has won any awards lately? Who is active in community clubs? Tell us about it! We want to know and so do a lot of other SPI'ers. The NEWS OF OUR MEMBERS column depends upon you! Let the editor hear from you today.

(Announcing the Candidates - Continued from page 3)

(1953), Pub. Co. George started collecting in 1934 and specializes in Olympics. Besides being a founding father of the SPI, George is also a member of the APS, SPA, SOCCI and a number of specialists societies.

Helen Turner is a widow with one married daughter and three grandchildren. She was born in Syracuse, N.Y. and lived most of her life in California until moving to Washington in 1944. Helen is now retired and had worked for the State of Washington in the Revenue Tax Division for 22 years. She does a lot of travelling between Canada and Mexico on the west coast and to the east coast about every two or three years. Her incentive for travelling is stamp shows! Philately is her only hobby and it takes all of her time even though she is retired. Helen collects sports (with many sidelines), Japan as a country collection and in the topical area - Portrait issues only of Queen Elizabeth, art and President Kennedy.
