The Sports Covers Club of America has recently issued a sheet of sport seals. These come in plate blocks of four and full sheets of sixteen. Plate blocks of 4 are 25¢ each and full sheets either perf. or imperf are \$1.00 each. Trachtenberg, Henri, "Sport Olympiques & Scoutisme Catalogue". Paris: compiler, 1971 edition, 77 pp. (\$2.00 plus postage).

The 1971 edition of Henri Trachtenberg's "Catalogue of Sports, Olympics, and Scouts" has just reached the reviewer. New issues since the last edition (1968-69) have forced a twelve per cent increase in the number of pages; the size remains 5 1/2" x 8 1/4". The heavy cover will stand a lot of wear (and it will get it with my copy!).

Essentially a price-list, Trachtenberg's catalogue is a gold mine of information for the sports collector. The contents are two-fold:

1. Olympic Games (1896-1968)(by Olympiad, then by country)--gives the year, country, Yvert catalogue number, and price in French francs.

2. Sports and scout (by country)--gives the year, Trachtenberg check-list number, Yvert catalogue number, description, quantity issued, and price in French francs.

Particularly valuable is the listing of imperforate stamps and souvenir sheets, especially for France and former French colonies remaining under French influence. Imperforate items not identified in other sources also appear from time to time.

The preparation in French and the use of Yvert catalogue numbers do not offer severe handicaps. A small French dictionary will solve the first problem and Yvert catalogue numbers offer another identifying system for sports stamps, especially for those who correspond with sports collectors in France and southern Europe.

Although designed as a price-list (and Trachtenberg is a good supplier, especially of the more exotic essays, proofs, deluxe sheets, imperforates, etc.), his publication is a valuable and up-to-date reference for sports collectors. I recommend it highly.

THE PRESIDENT'S MESSAGE

I must apologize to those of you who have had to wait for replies to your letters. I have been facing tremendous personal problems since my return from Mexico. Things are beginning to straighten out, and I will do my best to catch up soon. Helen Long has been able to take over some of my mail, Bless her, and my thanks to all of you for bearing with me.

In case you haven't seen it, this is the souvenir sheet which was issued by Mexico for SPORTMEX. This is the first time the SPI emblem has been shown on a legitimate postal issue. The designer, Gregorio

Gutierrez Balderas, is a young man, with a lovely wife and daughter Nina. I tried to bring Nina home with me, but Mexican hospitality doesn't stretch that far. (Each sheet has a serial number on the bottom which is not shown on the illustration. Also see 'News Of Our Members' column. ed)

I spent a good deal of time with him, as well as two other Mexican designers, Lance Wyman and Sr. Rodriques. Lance Wyman is the American from New York, who has lived in Mexico City for some years. Sr. Rodriques has two designs being issued soon. I saw the designs, and they are lovely. I first met him in San Diego, at SANDIPEX, when he was in charge of the display sent up by the Mexican government. The story behind some of the late stamp designs would fill a book, and is a fascinating one. Lance Wyman was able to show me the Olympic designs which were turned down, as well as the original sketches for those which were used. Some of these will soon be on sale here in the United States. Any of you who are interested might drop me a line, and I will see that you are notified of the sale.

A. P. S. Educational Program For Evaluating New Issues

'BLACK BLOT' ASSESSMENTS - Editorial "Black Blots" are assessed against the recent postal emissions listed below, indicating one or more of the following philatelic deficiencies: (1) A limited printing or limited 'on sale' time in country or origin. (2) An excessively extended issue. (3) Unwaranted high value included. (4) No direct relationship to the issuing country. (5) Oddities intentionally included with the issue.

In the June issue of the *American Philatelist*, the two souvenir sheets from Grenada depicting children at play, with decorations and inscriptive selvaige.

Listed in the July issue were the following: Bolivia, two imperf souvenir sheets commemorating the 1968 Mexico Olympic Games. The Aztec Stadium souvenir sheet (55¢ stamp) commemorating the World Soccer Cup matches in Mexico City. There is no editorial assesment against the normal set of four stamps. The souvenir sheet from Togo containing the four high values (30f, 45f, 60f & 90f) of the eight-stamp set commemorating the Rimet Soccer Cup matches.

Editorial Comment

In the July 28, 1970 issue of Western Stamp Collector, there were several comments questioning the inclusion of certain countries in our New Issue column by Barb Williams.

The article stated that the stamps of Cuba are banned in the United States. True, but we have many members in Canada, Mexico, Japan, Great Britain, Spain, the Philippines Islands, and a number of other countries. It is only fair that we report these emissions as they are not banned in most other areas of the world where our members reside. There is also a second consideration. The political winds are always changing and someday the U. S. and Cuba will resume diplomatic and trade relations and these stamps will no longer be banned. Although I'm not old enough to remember the situation during World War II, I'm sure philatelists were not allowed to import stamps of Germany, Italy and Japan. Of course, everyone knows that the postal emissions from these countries during World War II are now recognized by the catalogs and are collectable items today. Someday the same may be said of Cuba.

The comments also stated that we list the stamps of Paraguay and Panama which never fail to make the "Black Blot" listings. This is also true and there is really nothing good to say about the philatelic status of these countries. These issues are listed solely for one reason and that is to let our members know that they do exist.

To sum up, we feel that our members have the right to know of every sport issue and should have the right to make their own choice of which to include in their collections. As this Journal supports the "Black Blot" program of the American Philatelic Society, we shall resume the "Black Blot" listings of the American Philatelist. We shall endeavor to give the status of various issues as the information becomes available for the benefit of our members.

By now all of you have seen the Mexican souvenir sheet issued for SPORTMEX. The SPI emblem (illustration on the left center of the sheet) is an original design by Robert S. Oesch (SPI 250)....Bob has also designed a set of three cachets in the continuing Mission series for the 26th SESCAL exhibition....Paul Bosquet (SPI 111) is an assistant editor of Japanese Philately, the bi-monthly Journal of the International Society of Japanese Philately. Paul is the compiler of the awards column....Eijiro Hinoki (SPI 644) writes that Japan will issue two semi-postal stamps for the Sapporo Winter Olympic Games. There will also be a single stamp and a postal card issued for the 25th National Athletic Meet to be held next year. Thanks for the covers from Barb Williams, P. J. Drossos and Bob Oesch.

Italy's Bicycle Marathon

Pierson Ostrow

On May 15, 1967, Italy issued a set of stamps (Scott 958-60), to commemorate the 50th Bicycle Marathon of Italy. The first of the "giri" (or circuits) was run in 1909, and each year thereafter except for the war years of 1915-18 and 1941-45.

The course covers 70 provinces and 700 communes for a total of 1200 inhabited places, with a total distance of impressive mileage, with a considerable portion of which is in France and Switzerland. Contestants cross the Alps as well in the course of this long-distance race.

The winners of various races are as follows: Luigi Ganna (1909); Carlo Galetti (1910-11); The Atala "squadron" of Galetti, Michelotto, Pavesi, and Ganna (1912); Carlo Oriani (1913); and Alfonso Calzolari (1914).

After WWI, the winners were: Costante Girardengo (1919, 1923); Gaetano Belloni (1920); Giovanni Brunero (1921-22, 1926); Giuseppe Enrici (1924); Alfredo Binda (1925, 1927-29, 1933); Luigi Marchisio (1930); Francesco Camusso (1931); and Antonio Pesenti (1932). Also, Learco Guerra (1934); Vasco Bergamaschi (1935); Gino Bartali (1936-37, 1946); Giovanni Valetti (1938-39); Fausto Coppi (1940, 1947, 1949, 1952-53); Fiorenzo Magni (1948, 1951-55); the Swiss contestant Hugo Koblet (1950); and the Swiss Carlo Clerici (1954).

Also, Luxembourger Charly Gaul (1956 and 1959); Gastone Nencini (1957); Ercole Baldini (1958); Jacques Anquetil, from France (1960 and 1964); Arnaldo Pambianco (1961); Franco Balmamion (1962 and 1963); Vittorio Adorni (1965) and Gianni Motta (1966).

There were 25 million copies of the 40L printed, 15 million of the 90L and three million of the 500L. The postal validity for this set ended on December 31, 1968.
