THE EUROPEAN ATHLETIC CHAMPIONSHIPS

The European Athletic Championships are the world's largest organized athletic championship competition after the Olympic games, and the most outstanding one in Europe.

Competition is held every fourth year, specifically in the year between those in which two Olympic games are held. This institution got its start in 1934 with the 1st European Athletic Championship Track Meet in Turin. In continuation, organized competition was held in Paris and Vienna (women's games) in 1938, Oslo (1946), Brussels (1950), Bern (1954), Stockholm (1958), Belgrade (1962), Budapest (1966), Athens (1969), Helsinki (1971), Rome (1974), and Prague (1978). In 1982 it will be held in Athens at the newly-constructed Olympic Stadium in Kalogreza. Greece is the only country ever to have taken on twice the organization of these top-flight classic athletic competitions. With the issuance of the two stamps in the set of 1981, the institution's ideas are set forth, on the one hand by the new stadium, and on the other in the symbolic representation of all of Europe (32 countries with more than 1500 competitors and 1400 members of the press and media representatives) gathering in Athens.

LETS POOL OUR OLYMPIC AND SPORTS KNOWLEDGE

Edited by Edward B. Epstein

Sports and Olympic philatelists have, collectively, a great deal of knowledge, which when pooled, can be of mutual benefit. Questions concerning sports and Olympic philately will be assigned a number and published in JSP. Responses to questions will be printed in subsequent issues. Address all questions to your editor: Edward B. Epstein, Paterson Board of Education, 33 Church Street, Paterson, NJ 07505 USA.

- A - 75 Perhaps the 1956 Stockholm Olympic Equestrian trilingual souvenir post card that you are referring to is one picturing a photograph of an equestrian rider which features the following Swedish green imprinted text, "Equestrian Games of the XVI Olympiad/ Stadion 10-1 7/6 1956 STOCKHOLM". Overprinting this text is a repetition of the five Olympic rings which give the appearance that the equestrian is riding on Olympic ground. Beneath this pictured cachet is the same green imprinted text in French and English.

Although it is difficult to identify the rider in the cachet there is a photograph on Page 105 of "The Olympic Games", edited by Lord Killanin and John Rodda of Capt. C.F. Pahud de Mortanges - four time gold medalist of the Netherlands- who appears to wear the same uniform as in the equestrian cachet on the post card. The photograph, in the book, also picturing in the background a Nazi flag, identifies the 17 year old mount Marcroix which de Mortanges rode during the XI Berlin Olympics..

A Green imprinted Olympiad-Brevkort in your editors collection has both the "Stockholm Ryttsarlaglingar XVI Olympiadens June 10, 1956" (opening day) cancel tying the 20 Ore coil value and the June 17, 1956 (closing day) circular handstamps. Also applied to the card are two double ring cacheted handstamps with the following three straight-lined text: "Stadium Opening Day" in purple in one handstamp, and "Stadium Closing Day" in green, in the other handstamp. Circling between the double rings on both cacheted handstamps are the words: "In presence of H.M. Queen Elizabeth II and H.M. King Gustaf VI Adolf". Imprinted in black is the following address: Herr Sven Larsson, Box 29, Stockholm 1. However, there is a penciled cross over the address and the city Kappsla is substituted.

Your editor has seen the same cards in the Dave Bressler collection with the green Stadium Opening Day double ring cachet and normal June 10 1956 handstamp on one card and the violet Stadium Closing Day and June 17 1956 handstamp on the other.

President's Message

Enclosed with this issue is SPI's annual dues notice. You will be pleasantly surprised to note the entire dues structure is unchanged from last year. For this we have to thank Clem Reiss our Sectreary-Treasurer, who has been investing our funds to bring in additional revenue, Arlo Scoggin, our sales manager who brings in a small profit from the sales books and Ed Farrasch who runs the SPI auctions and which also produces a profit.

Please continue to support these services with your buying and selling. Also, please remit your dues promptly with the enclosed form as dues reminders are quite a drain on our treasury!

Recent months have been quite busy for me and I have little or no time for casual correspondence. I must limit correspondence to the working group of SPI and JSP members for the immediate future. All those who have questions pertaining to SPI should direct those questions to the proper official (addresses are on the fourth page of each issue of JSP) and PLEASE enclose an SASE!

SPI will issue individual FDC's for Bobby Jones and Babe Didrikson Zaharias. Price is \$1.25 each plus an SASE. No more than 125 of each will be produced. Order from: John La Porta, 3604 S. Home Ave., Berwyn, IL 60402.

For sometime now we have been wanting to issue additional sections of "A Simplified Handbook of Adult Competitive Sport Stamps" by Bob Bruce and Jim Yarwood. Unfortunately, we do not have the space in JSP without reducing other features.

One idea has come to mind that may be feasible. Increase the size of JSP. This is a good possibility as SPI should be able to handle the additional printing costs for several expanded issues during the year. The only possible drawback is the large additional expense in postal costs. Current postal expenses for SPI are our second biggest expense.

My idea is to accept donations from the members earmarked for 'Expanded Issues' and whenever we have enough additional funds to cover the extra postage we will be able to enlarge the next issue with ONE or MORE additional sections of the handbook.

Please send donations to Clem Reiss, 1410 Illuminating Bldg., Cleveland. OH 44113 and mark for 'Expanded Issues'. We will accept any amount, large or small including mint postage. All contributions will be acknowledged in JSP.

PS: I have nearly 30 sections of the handbook ready to print!
