## NEW ZEALAND: 1905 RUGBY PICTURE POSTCARD

by Brian G. Vincent

Shown here is an English picture postcard of the 1905 New Zealand Rugby football team. This is rather an historical item, not so much for the postcard itself (as there seems to have been quite a few postcards produced of this touring team compared with other rugby teams of this era), but for what is on the reverse message side - which is illustrated below. These are the autographs of eighteen members of the 1905 New Zealand rugby team, including the captain Dave Gallaher (who later was to die of wounds received during World War I). This side, known as the "Original All Blacks" undertook the first major overseas tour by a New Zealand national rugby team - to Great Britain and France. They played a total of 33 games and lost only one!

## President's Message

After the October 1983 renewal period, only nine members failed to renew and all of them from overseas. Very possibly, for most of the non-renewals, there may have been language problems. At last count, we had 313 members.

This reflects the strong interest of our members in SPI, its services and goals. Your board appreciates this support.

We are having elections this year and the call is out again for people who would like to run for office or serve on the board. Please volunteer and state your interests and background. Under new rules, the board is expandable. We are continually looking for persons to assist with the never-ending task for publicity, particularly in non-philatelic sport journals. We can always use a reservoir of typists, editors and those having access to word processors. We would like someone to take charge of our awards certificate program. Also, we would like to hear from persons having a microcomputer to possibly assist in treasurer functions.

We promise the tasks and associations to be interesting and stimulating. Your present board has made no decisions yet about seeking renewed terms but we would certainly like to see some new faces.

Please contact me direct as soon as possible. Non-US members are also welcome to apply. If you wish to nominate someone other than yourself, please obtain that person's consent.

The International Federation of Olympic Philately which was established by the International Olympic Committee in December, 1982 is growing rapidly. It has over 110 members in 20 different countries. By far the largest number are in Italy, France and Spain. The number of members from the USA can still be counted by fingers on both hands. This is a rather low response, in my opinion. Eventually there will be elections and I would like to see more members in the US and other English-speaking countries become FIPO members to assure a place for us among the elective offices.

The IOC is providing generous financial support and has ambitious plans for FIPO. There are no dues for 1984 and there is a newsletter, special vignettes, many announcements, special meter cancels, etc.. You get a lot for almost nothing. Send me an SASE or IRC for a membership application.

Members planning to visit the Olympic Games in Los Angeles should write me their plans. Please state your dates of visit, address and local phone number. We plan to have a gathering of Olympic and sport philatelists probably at the Pasadena Center where OLYMPHILEX '84 will be.

## LET'S POOL OUR OLYMPIC AND SPORTS KNOWLEDGE

Edited by Edward B. Epstein

Sports and Olympic philatelists have, collectively, a great deal of knowledge, which when pooled, can be of mutual benefit. Questions concerning sports and Olympic philately will be assigned a number and published in JSP. Responses to questions will be printed in subsequent issues. Address all questions to your editor: Edward B. Epstein, Paterson Board of Education, 33 Church Street, Paterson, NJ 07505 USA.

A- 75 Additional information has come to light thanks to Tim Nagel about the 1956 Stockholm Olympic Equestrian souvenir post card.

What your editor mistook for the same green text beneath the continuous Olympic rings as imprinted in French and English, "Equestrian Games of the XVI Olympiad Stadion 10-17/6 1956 Stockholm" turns out to be a completely different Swedish text. An English translation of this Swedish text "De första Olympiska ryttar tävlingarna äholls i stadion, Stockholm Juli 1912" is "The first Olympic horseriding competition was held in the stadium in Stockholm July 1912."

Tim Nagel is to be congratulated for this nice piece of detective work.

Q- 97 It seems that Dave Fogel is interested in the June 15 1932 Los Angeles and June 16, 1932 Washington D.C. date stamps for the United States Los Angeles Olympic issue. He has in his collection the following times:

A.M.- 7, 9:30, 10:00, 11:30, Noon- 12M, 12 P.M. (Washington D.C.).  
P.M.- 12:30, 1:00, 1:30, 2:00, 2:30, 3:00, 4:00, 4:30, 5:00, 6:00, 6:30, 7:00, 8:00 (Washington D.C.), 8:30, 9:00, 10:00, 10:30 (Washington D.C.).  
Naval cancels not duplicating the above for the U.S.S. Arizona - 8 A.M.

"It appears," writes Dave, "if the post office used 7 A.M. and 10:30 P.M. as the opening and closing times and changed the times on the hour and half hour, several times (such as) are still missing: 7:30 A.M., 8:30 A.M., 9 A.M., 10:30 A.M., 11 A.M., 3:30 P.M., 7:30 P.M. and 9:30 P.M."

Dave would like to hear from owners of these missing times. His address is David Fogel, 2435 N.Orchard St., Chicago, Illinois 60614.

# WOMEN'S GYMNASTICS ON STAMPS

by Richard Scott

The following is a checklist of postage stamps portraying women's gymnastics. Listed are the conventional competitive events (balance beam, parallel bars, vault, and floor exercise), artistic events (ribbon, ball, hoop, and dance), calisthenics, and miscellaneous items. The items are listed by country and Scott catalog number where available, or by Minkus, Carus, Yvert, or Michel numbers as noted. Also given are denomination, subject, date of issue, and event commemorated. Not included are special varieties such as imperforates, proofs, first day covers, and special cancels. Otherwise, this list is as complete and accurate as possible, although the author would welcome any additions or corrections.

## HELP WANTED

*by Sherwin Podolsky*

Our member in Poland, Mr. Wacław Przestrzelski, Kalinowa 11/69, 15806 Białystok, Poland reads and writes excellent English and seeks active exchanges. He seeks in particular Olympic Torch run material and also all items for 1984 Los Angeles Olympics (stamps, FDCs, maximum cards, special cancels, meters, etc.). He can offer similar material in sports and Olympics from Poland, USSR, East Europe, Mongolia, Cuba and North Korea. Wacław writes a friendly letter. Readers will find him interesting.

Reports indicate that the Olympic Committee at Sarajevo has been almost non-responsive to collectors. We don't hear anything about cancellations, postal services, registry services, Olympic committee meters or postmarks, Olympic committee stationery, the philatelic exhibition at the Games, etc.. About all we see are reports of the stamps and sheetlets, the usual philatelic agency fare. This isn't everything that Olympic philately is all about. So, hopefully, SPI members will report on the specialized material that comes their way.

Robert J. DuBois, 8400 Ensley Lane, Leawood, Kansas 66206, is developing a completely revised catalog of Olympic seals and labels. He is making a major and masterful effort and urgently needs to borrow many labels of the scarce and rare varieties for illustration, or to have high quality black and white photographs or photostats. Xerox photocopies will simply not be satisfactory. Also needed are data related to market values of these elusive items. Information is particularly sparse on the more recent Olympiads including 1972 and 1976. Please give Bob a hand if you can.

## WHAT YOUR SPI BOARD IS DOING

Wonder what goes on in the inner sanctum? There are some important projects. Ward Nichols and Ed Epstein are preparing for publication Ed's Questions and Answers on Sport and Olympic stamps. John La Porta has been working on a reprint of the Specialized Handbook of Sport and Olympic Philately. Joe Lacko has checked out awards.

Clem Reiss finds his workload growing and has issued a call for a microcomputer to provide better membership services. Peg Jones delights in finding new possibilities for publicity and is also working on an index of JSP and its predecessor publications. We hope to have this ready for AMERIPEX '86.

Your board has approved a redesigned award certificate which is with the artist Carol Gordon at the moment. We believe it will be extremely attractive. When it is ready, we expect to aggressively promote its use at philatelic exhibitions throughout the country and possibly overseas. Indeed, our new SPI board member, Bob Wilcock of England may soon be helping us promote the new certificate in his country. Bob replaces Eihiro Hinoki of Japan who resigned. We expect to have another overseas SPI member on the board soon. Announcement will be made as soon as the current board has completed its response to the current board letter now being circulated.

Ed Epstein has assisted in providing an article which we hope to publish in THE OLYMPIAN, magazine of the US Olympic Committee. I provided an article published in JUCO magazine published by the National Junior College Athletic Association. Our thanks to George Killian, editor of that magazine and SPI member for assistance.

Your board approved an 8-page expansion of JSP. Clem Reis finally obtained non-profit tax status for us and we are translating this into lower postage costs for JSPs distributed in the USA. I have been instrumental in expanding the advertising content in JSP.

I have also kept tabs on OLYMPHILEX '84, the philatelic exhibition in Los Angeles during the Olympic Games. Bob de Violini and I converse on developments often. I developed an SPI award certificate policy. As I make contacts through my position as special delegate for North America with the International Federation of Olympic Philately, I promote SPI memberships. The Los Angeles Olympic Committee is well aware of SPI through me.

I have encouraged George Scheffel to prepare good articles for JSP. David Bressler was recruited to prepare a membership list of those seeking non-philatelic collectibles and references.

By no means is the above a complete list and there is much more continuing and waiting to be done. We are always open to your ideas and suggestions, too. Please write us.

## THINGS TO SEND FOR by Sherwin Podolsky

Already all kinds of things have come out in Southern California for the Olympic Games: picture postcards, cups, posters, badges, etc.. There is one soft-cover booklet that seems particularly useful to Olympic and sport philatelists.

OLYMPIC ACCESS (TV Viewer's Guide) by Richard Saul Wurman. Published by Access Press Ltd., P O Box 30706, Los Angeles, CA. 90030. Price \$4.95 plus \$1.50 for postage and handling. 96 pages. 5 1/4 x 10 1/4 inches. Soft cover.

This booklet with rich color on slick pages is loaded with data and pictures. Each sport is analyzed to enhance the viewer or student's appreciation of the fine points in a nutshell. Olympic champions and world records are given. Member nations of the International Olympic Committee are listed. Collectors wishing to seek only stamps of participating countries thus have a guideline here. The fine points of each sport are well illustrated and can be useful in checking also the stamp illustrations for page writeup. The ancient and modern history of the Olympic Games is well presented briefly. The back cover presents a colorful calendar of the events.

The booklet is published under licensee from the Los Angeles Olympic Committee. It is an excellent value and a valuable introduction to the philatelist not particularly familiar with the highlights of sports.

+ + + + +

SPI member Edwin J. Isler, 390 E. Hacienda Drive, Corona, CA 91720 has a list of US pictorial cancellations on covers and cards. The cancellations are sport or Olympic-related. Prices are modest and quantities are very limited. Readers should send a stamped, self-addressed envelope. Overseas readers should send two IRCs or 40¢ in US postage stamps for airmail reply. The material available relates mostly to the 1980 and 1984 Olympic Games.

## FIPO

Membership in the International Federation of Olympic Philately continues to grow. The International Olympic Committee has again waived dues for 1984. The Federation (FIPO by the French acronym) was established by the IOC in December 1982.

News bulletins are appearing and an official label is being distributed. Commemorative meters for the 1984 Olympic Games (3 types) have been announced and they are available for 2 International Reply Coupons each, plus self-addressed envelopes. A lavish international Olympic philatelic exhibition has been announced at Lausanne, Switzerland March 18 to 24, 1985. It is called OLYMPHILEX '85. A silver medal will be awarded to all participants.

A series of brochures for OLYMPHILEX '85 has been announced. A catalog of Olympic stamps, of which the first volume will be printed in a few weeks will be entitled "The Post, Philately and Olympism." A study listing the various cancellations of the International Olympic Committee has been published.

The International Olympic Committee has sent a circular to all National Olympic Committees asking them to assist members of FIPO within their NOC. This means an opportunity for SPI to cooperate with the United States Olympic Committee, for example.

The next meeting of the executive board of FIPO is scheduled March 21, 1984 and Sherwin Podolsky has been invited to attend. This will be a long, important meeting with particular attention to establish relationships with the International Federation of Philately.

The International Olympic Committee has budgeted SF 182,000 as a subvention to FIPO activities (about \$81,000).

OLYMPHILEX '85 will include a "youth philately" section for ages 12 through 21 broken into four sub-groups by age.

Progress is being made toward a FIPO library of Olympic philately and to seek subscriptions eventually to periodicals from sport philatelic associations worldwide.

Readers interested in joining FIPO may write to Sherwin Podolsky for an application and include a #10 envelope, self addressed and stamped for first class. Or write to Mme. Monique Berlioux, director, International Federation of Olympic Philately, c/o International Olympic Committee, Chateau de Vidy, 1007 Lausanne, Switzerland. Mention that you read about FIPO in the Journal of Sports Philately.

## - OLYMPIC NOTES -

by SHERWIN PODOLSKY

### US OLYMPIC STAMPS.

The first US Olympic adhesives, the .40 airmail, came out in a comb perforation. My comb perf stamps measure perforation  $11\frac{1}{4}$  x  $11\frac{1}{4}$ . All subsequent US Olympic adhesives came out line perforation. However, printings of the .40 airmail are continuing and I discovered they are available now in line perforation. My .40 airmails measure more closely perforation 11 x 11, line.

The easiest way to collect these varieties is in corner margin blocks of four, preferably showing Mr. Zip or the plate number. The comb perforation is recognizable by the perforations not running completely through the selvage. The line perforation runs completely through the selvage. Also, the line perforation is more uneven at perforation intersections.

The Olympic airmails are practically the definitive airmail stamps at this time and will probably be practically "regulars" until new rate stamps come out in late 1984 or in 1985. So, collectors seeking perforation varieties should not miss the sleeper .40 comb perforation now.

### FIPO

The FIPO membership cards are now being distributed. The International Olympic Committee does things with class. The cards are beautiful, colorful. One of the photographs that applicants furnish with their application is affixed to the card and tied by the FIPO cancellation. Cards are signed by Juan Antonio Samaranch, president of the International Olympic Committee.

The issue of membership dues has been postponed to 1985. In the meantime, although there is no journal yet, news "flashes" and announcements will be published from time to time. The first news "flash" is called Fipo Document No. 1, dated December 1983 and features postmarks (meters) of the IOC from 1976. A program of special meters for Sarajevo and Los Angeles 1984 Olympic meters consists of three different. They are illustrated. Not shown, but promised, are meters for the 90th anniversary of the IOC and for the exhibition OLYMPHILEX '85 which has been postponed to March 18 to 24, 1985.

The first FIPO Newsletter is promised for January, 1984.

#### OLYMPHILEX '85

The International Olympic Committee originally planned OLYMPHILEX at Lausanne in November, 1984, but it was felt it was too close to the Olympic philatelic exhibition at Pasadena, California during the Olympic Games. Also, the choosing of names was purely an inadvertent coincidence. OLYMPHILEX '84 is at Pasadena and OLYMPHILEX '85 is at Lausanne, Switzerland.

1,000 exhibition frames at planned for OLYMPHILEX '85. It is open to Olympic philatelists all over the world and also to Postal Administrations, Postal Museums, State printers, National Olympic Committees and stamp dealers. The exhibition will be held in the Palais de Beaulieu. In its large halls, more than 1,000 exhibition frames, the stands of Postal Administrations and stamp dealers will be set up.

The announcement lists the most important and memorable exhibitions of Olympic Philately:

- 1951 - Barcelona, Spain with sport as its theme
- 1954 - Barcelona, Spain, 2nd International Exhibition of Sports Stamps
- 1952 - Rome, Italy. First International Exhibition of Sports Stamps
- 1960 - Rome, Italy. "Olympiacon '60"
- 1964 - Rimini, Italy. "Towards Tokyo"
- 1968 - Riccione, Italy. "Towards Mexico"
- 1982 - Rome, Italy, "ROMOLYMPHIL '82"
- 1955 - San Marino. International Exhibition of Olympic Stamps
- 1972 - San Marino. "Towards Munich"
- 1978 - Koblenz, West Germany. "Olympia Prize," bilateral meeting of Italian and German sport and Olympic philatelists

OLYMPHILEX '85 will be organized by the International Federation of Olympic Philately under the patronage of the IOC.

For more information, write OLYMPHILEX '85, c/o International Olympic Committee, Chateau de Vidy, 1007 Lausanne, Switzerland.

An application for membership to FIPO is available from Sherwin Fodolsky. Please send a #10 stamped, self-addressed envelope. Overseas members may send an International Reply Coupon, or 30¢ in US stamps for surface mail reply or 40¢ for airmail reply.

FIPO now has over 100 members in 20 countries since its organization in December, 1982. Members' interests may include Olympic stamps or philately generally, one or two Olympiads only, or an Olympic sport such as soccer. So, interests are quite varied.
